Nu Connexions Restaurant Menu Nutrition Analysis Services

Government and consumers alike are becoming more nutrition-savvy when they are dining out.
Give them the information they are looking for, through our database-calculated analysis services!

Contact steve@nuconnexions.com for further information about any questions you may have.

Menu Item Type	Price
In-house prepared multi-ingredient menu items • Recipes are required. Upon review of the recipe, further information about some ingredients may be required.	$100 per menu item.
Additional portion sizes for above multi-ingredient menu items	$35 per additional portion size.
Add-on components to "base recipes" for "build-your-own" menu items.	$35 Per add-on component.
Single ingredient items or items not prepared in-house but offered on the menu (e.g. beverages, frozen prepared desserts)	$35 per item.
Food Photography Services • Hourly charges include lighting set-up time, with a minimum charge of 4 hours for client site photography (minimum charge of 1 hour if products to be photographed are sent to Nu Connexions). • Food stylist charges are additional for client site photography (clients may wish to provide their own food stylist). • Travel charges may apply for areas outside of York Region in Ontario, Canada. Consideration will be given to reducing travel charges if able to be coordinated with other travel.	$125 per hour for 4 hours or less. $100 per hour for greater than 4 hours.

Depending on project size, Nu Connexions requires that all orders must be prepaid or have a 50% prepaid deposit with a contractually agreed timeline of project phase completion and subsequent payment installments for remaining balance.

Direct interbank fund transfers within Canada can be used for secure electronic payment.
Alternatively, mail cheque (payable to Nu Connexions) to P.O. Box 269, Queensville, ON, L0G 1R0, Canada
For customers outside Canada, secure online payment may also be made at _https://www.paypal.com_
